13 Defendant.

14 Case No. C05-5683RBL

15
16 **STIPULATED MOTION AND ORDER
TO EXTEND FILING DEADLINE FOR DISCOVERY
MOTIONS**

17 **I. STIPULATED MOTION**

18 Pursuant to CR 16(g), the parties to this action, through their undersigned counsel,
19 hereby stipulate and request that the Court extend the current deadline for filing discovery
20 motions of December 11, 2006 to December 14, 2006. In support of this request, the
21 undersigned counsel for plaintiff notes that a continuance is needed because the parties
22 have not yet conferred on portions of the motion, and as managing shareholder of her firm
23 she has been preparing for a year-end meeting to occur today, December 11, 2006. The
24 extension would allow counsel to confer prior to the motion being filed.
